On April 30, the Michelob ULTRA Runners will travel to Belleville, IL and compete on the city's historic downtown roads in the 10th Annual Law Day Run. Sean Birren, a member of the team took first place overall in 2010, Belleville native and Michelob ULTRA Runner Zac Freudenburg holds the course record. Birren will be returning in 2011 to defend his title.

"Our team has a strong history with this race and a great relationship with the co-race directors," said Jeff Bockhorn, team captain for the Michelob ULTRA Runners. "Zac has moved to the Netherlands and won't be running, but we do have runners of all abilities that are going to participate."

The Michelob ULTRA Runners are a St. Louis based group of adults who range from Olympic-caliber athletes to runners aiming to just finish a race. The team, consisting of 100 athletes, has been running together for eight years and competes at events across the country. "Our team members come from various backgrounds and have all levels of racing experience, but we all share a passion for running," said Bockhorn.

After the race, the Michelob ULTRA Runners and Illinois Distributing invite adult competitors to celebrate their race at the Michelob ULTRA tent, where runners age 21 and older will be able to enjoy a cold Michelob ULTRA as a well-deserved reward for their athletic accomplishments.

Michelob ULTRA is the official beer of the 10th Annual Law Day Run. Michelob ULTRA is a smart choice for adults who lead active lifestyles, with only 95 calories and 2.6g carbs per serving. Michelob ULTRA supports golf, running and cycling events across the country. For more information on how to "Live Life to the ULTRA," visit [www.michelobultra.com](http://www.michelobultra.com).
